

Nevada Interagency Fire Operations Committee

24 February 2016

To: Interagency Fire

From: Chair, Nevada Interagency Fire Operations Committee

Subject: Team Selections

On behalf of the Nevada Interagency Fire Operations Committee, I am pleased to inform you that your nomination for Nevada's Type 3 teams has been selected! You can be proud that you represent what is highly regarded as a solid Type 3 program in the west. You'll see on the following link that we were again able to pull together four strong teams for the upcoming fire season. A team meeting will be held in Sparks, beginning 2 May through 6 May 2016, which you should all attend. Stay tuned for more details and an agenda for that. Below is the contact information for each of the Incident Commanders:

Jason Cain	jcain@blm.gov	Office: 775-623-1506
Brock Uhlig	bluhlig@blm.gov	Office: 775-635-4114
Tyler Hecht	thecht@blm.gov	Office: 775-753-0309
Joe Wyatt	jwyatt@blm.gov	Office: 208-387-5426

You should be contacted by your IC soon but feel free to give them a call with questions you may have. Again, thank you for your interest and your commitment.

You can access the Type 3 team rosters, rotation, and other helpful information at the link below. Rosters and rotation should be posted within a few weeks.

Nominees for positions will make a one year commitment to team participation (IC's a two year commitment) and are expected to be available for call-out during a set rotation period. Rotation dates for 2016 are tentatively scheduled to begin 20 May and end 10 October. More information on Type 3 IMTs can be found at: <http://gacc.nifc.gov/gbcc/overhead.php>

If you have any questions, please contact Mike Ford (Co-Chair) at (775) 753-0304 or Chris Theisen (Chair) at (775) 351-1222.
